**IHS testing procedures are as follows:**

- All cell phones and wearable technology will be taken up by the teacher during the test.
- Cell phones will be returned at the end of the period regardless of when the student finishes the test.
- Students will sign an academic honor statement before each test.
- Students who do not finish a test will **not** be allowed to come in to finish it later
- Students who miss a test will receive a different assessment that covers the same information.
- Re-test are allowed for those who score below an 85 on a test. Test corrections are required before re-test.
- Students caught cheating on a test will receive a zero and they can make-up by doing the re-test.
